SANTHOSH

PYTHON DEVELOPER

EDUCATION

Bachelor of Engineering

2021-2025

A.V.C COLLEGE OF ENGINEERING

- Bachelor Of Electronics And Communication Engineering
- CGPA:7.5

Higher Secondary

2019-2021

KALAIMAHAL MATRIC HR SEC SCHOOL

- PERCENTAGE:75

PROGRAMING

- Python

TECH STACKS

- HTML
- CSS
- Java Script
- Bootstrap
- AWS S3
- SQL
- GItHub
- Data Analysis

LANGUAGE

- Tamil
- English

PROFILE

A passionate Python Developer with a drive for continuous learning in the ever-evolving IT landscape. Committed to delivering innovative solutions and seeking exponential growth in my field. Let's connect and explore the possibilities of technology together!

EXPERIENCE

- **Embedded system - Intern**

2024

1. Gained hands-on experience in designing and programming embedded systems.
2. Developed code using C, C++, and assembly for hardware control.
3. Worked with sensors, actuators, and communication protocols (UART, SPI, I2C)
4. Used debugging tools to troubleshoot and test systems.
5. Contributed to a mini-project, demonstrating teamwork and problem-solving skills.

ACADEMIC PROJECTS

- IOT-Based Garbage Segregator And Bin Level Indigator
- Python Social Media App using Django
- Air Quality Management
